

UPDATE 21

8/29/23

A Short Update This Week

We are conducting in-person interviews as the next phase of search and call process. The interviews are scheduled around time away in September for several of our committee members, including myself. I will be out of town for the first two weeks of September. However, I will continue to be in communication with church staff, committee members and candidates. Please keep us in your prayers for safe travel. Thank you.

Robin Long
