

UPDATE #26

News from the Search Committee!

We have two short weeks until our pastoral candidate, Rev Amelia Fulbright, her husband and two children, arrive in Greensboro. Over the course of the last few weeks, I shared information about Amelia including her Statement of Faith, her background, her experience, and her passions. I want to share more of our conversations with Amelia in the [attached Q&A](#).

As Julie emphasized during worship this past Sunday, please take this time to ask your questions of any of the committee members, Julie, Paul, or Jamie Anderson. Every question has value in this process!

Thank you,
Robin Long
